### **Building Better Opportunities: Getting Cumbria to Work Barrow and South Lakeland (BBO GCtW)**

BBO GCtW is a partnership project that seeks to provide support to and work with individuals in Barrow and South Lakeland who are facing multiple and complex barriers to employment and who are furthest removed from the labour market.

We are looking for a suitably experienced individual to strengthen our existing BBO GCtW delivery team work collaboratively with our four delivery partners to develop, deliver and co-ordinate a range of activities, events and opportunities for our participants.

The role will provide an excellent opportunity to work in a committed and passionate team at the heart of our community.

**Post Title:** Activity & Learning Outreach Worker

**Part Time:** 30 hours per week

**Fixed Term Contract:** Until 31<sup>st</sup> March 2023

**Salary:** £22,462 pro rata

**Based in Barrow: working flexibly across Barrow and South Lakeland**

We are looking for a skilled and experienced individual to support excellent service delivery, monitoring, evaluation, reporting and grant compliance, with a focus on European grant funding. The successful individual will need to be able to work effectively with a diverse range of individuals and organisations across Barrow and South Lakeland, be organised, motivated, passionate about helping others and have excellent communication and ICT skills. Flexible hours and home working will be considered.

We are committed to diversity and equality of opportunity. Disabled applicants and veterans who meet the essential criteria will be interviewed and we would especially welcome applications from people from diverse backgrounds and BBO GCtW project participants.

This project is funded by the European Social Fund and the National Lottery Community Fund. The Building Better Opportunities project funding ends in June 2023.

Closing date for applications for post: **5pm Friday 4<sup>th</sup> June 2021**

Interviews will be held online: **Tuesday 15<sup>th</sup> June 2021**
